Elevate Parental webinar

Dear Parents,

RE: Upcoming webinars for parents - How to Build Your Child's Resilience

We're excited to announce that next week Elevate will be hosting its next Parent Webinar. Feedback to the series so far has been fantastic, so don't miss out the next installment in the series.

Elevate works with our students, delivering high impact workshops on study skills, motivation, wellbeing, and exam preparation. By tuning into their webinar series you will learn how to better support your children at home through reinforcing the skills they learn at school.

**Tuesday 14th June (6-7pm)
How to Build Your Child's Resilience**

Here's what we will be showing you in this session:

What resilience means, what it doesn't mean, and why it's important;

How to help build your child's resilience levels, both in and out of school;

How to help your child break their 'fear of failure'.

The webinar is run live online from 6 – 7pm where the presenter will share Elevate's key research and skills, and will conduct a live Q&A so you can ask them questions directly.

Should you have questions or would like to contact Elevate directly, their details are listed below.
