## About the Role

We are delighted to offer an exciting opportunity for a passionate and enthusiastic teacher of Physical Education to join our forward-looking, ambitious and happy school from September 2026. This is a permanent 0.4 part-time role.

We are looking for someone who truly enjoys working with young people and is motivated by the opportunity to make a positive difference in every student's life. The successful candidate will bring integrity, humility and a consistently positive outlook, and will become a valued member of our supportive PE department, contributing to high-quality teaching and learning.

The ability to teach GCSE Physical Education would be welcomed but is by no means essential. A willingness to teach PSHCE would offer the opportunity for additional hours. There is also the potential for a 12-month maternity cover as Head of Year, which would include a TLR, for those seeking further responsibility and professional development.

We are offering the successful candidate the opportunity to work in a thriving school with passionate and enthusiastic students who are dedicated to their learning and as part of committed and supportive staff. This is a fabulous community, which is full of character, and tradition whilst being forward thinking and creative. Staff and students thrive on extremely positive relationships underpinned by our expectations that everyone in our community should strive to be their best. We are committed to excellent teaching and learning in an environment where students relish the opportunities, they are given to master the subjects they are studying, are willing to take risks and enjoy the intellectual challenges this brings. We develop staff and students who have the desire and courage, combined with the emotional, intellectual and practical capacities to change the world in ways that might be great or small but are always for the better. We are a happy and caring school, which values and takes pride in diversity and celebrates individuality. Outcomes are high and student behaviour is excellent.

If our vision, ethos and ambition match your own philosophy, please download the job description, information for applicants and person specification from our website to find out more about the role and the school and our vision and values. Visits are welcomed and encouraged and can be arranged by contacting the Head's PA, Mrs S Harvey.
